Honorable Gordon Gray
Director
Office of Defense Mobilization
Washington 25, D. C.

Dear Mr. Gray:

I have received a copy of the revised draft of the Report of the Baker Panel.

With reference to your request that comments be furnished to Dr. Baker's Panel, it is my belief that my comments, when rendered, should incorporate to the greatest extent feasible the views of the United States Communications Intelligence Board since USCIB is, by NSC directive, the governmental body responsible for COMINT policy. In my capacity as Chairman of USCIB and Advisor to the Special Committee of the National Security Council for COMINT, I believe that my formal comments should therefore be addressed to the Special Committee for COMINT. Representatives of this Agency of course remain available at any time for further consultation with Dr. Baker and members of his panel should this be his desire.

Sincerely,

Allen W. Dulles
Director

MEMORANDUM FOR THE SECRETARY OF DEFENSE
THE DIRECTOR, OFFICE OF DEFENSE MOBILIZATION

SUBJECT: Report to the President by the President's Board
of Consultants on Foreign Intelligence Activities,
dated December 20, 1956

The President, after consideration of agency comments thereon,
has directed action as indicated below, on the following recommendation
of the President's Board of Consultants on Foreign Intelligence
Activities:

Recommendation: "We suggest that you lend your prestige to
the recruitment of personnel to study Soviet
high-grade ciphers. This program, at your
request, might possibly be managed by the
Science Advisory Committee of the Office of
Defense Mobilization; or by the Weapons System
Evaluation Group of the Department of Defense."

Action: Refer to the Secretary of Defense and the
Director, Office of Defense Mobilization, for
the joint selection of a special panel of the
Science Advisory Committee to develop specific
recommendations for consideration by the
Special COMINT Committee. The Secretary of
State, the Director of Central Intelligence,
and the Director, National Security Agency,
will be consulted both in the selection of the
panel and in the development of recommendations
by the panel.

In approving the above action, the President has directed that a
report be submitted to him as soon as practicable and prior to taking
final action thereon.

JAMES S. LAY, JR.,
Executive Secretary
